G Em D C
Almost Heaven; West Virginia, Blue Ridge Mountains, Shenandoah River.
Life is old there, older than the trees, younger than the mountains,
growin' like a breeze.

G D Em C
Country Roads, take me home, to the place, I belong,
G D C G
West Virginia, mountain mama, take me home, country roads.

G Em D C
All my memories gather 'round her, miner's lady, stranger to blue water.
Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye

CHORUS

Em D G
I hear her voice in the morning hour she calls me,
C G D
The radio reminds me of my home far away.
Em F C
And driving down the road I get a feeling
G D D7
That I should have been home yesterday, yesterday.

N.C. G D Em C
Country Roads, take me home, to the place, I belong,
G D C G
West Virginia, mountain mama, take me home, country roads.
G D Em C
Country Roads, take me home, to the place, I belong,
G D C G
West Virginia, mountain mama, take me home, country roads.
D G D G
Take me home, down country roads; take me home, down country roads

END ON G

D C * G
Big wheels keep on turning
Carry me home to see my kin.
Singing songs about the southland
I miss'ole' 'bamy once again (and I think it's a sin)

[Opening Instrumental] x2

Well, I heard Mister Young sing about her
Well, I heard ole Neil put her down.
Well, I hope Neil Young will remember,
A southern man don't need him around anyhow

Sweet home Alabama,
Where the skies are so blue,
Sweet home Alabama,
Lord, I'm coming home to you.

On the first part of the journey
I was looking at all the life
There were plants and birds and rocks and things
There were sand and hills and rings
The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot and the ground was dry
But the air was full of sound

It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la, la lala la la la, la, la x2

After two days in the desert sun
My skin began to turn red
After three days in the desert fun
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think it was dead

Em D6/9
After nine days I let the horse run free
'Cause the desert had turned to sea
There were plants and birds and rocks and things
There were sand and hills and rings
The ocean is a desert with its life underground
And a perfect disguise above
Under the cities lies a heart made of ground
But the humans will give no love

Your Song – Elton John

D G A G

D Gmaj7 A/C# F#m
It's a little bit funny, this feeling inside
Bm Bm/A Bm/G# Gmaj7
I'm not one of those who can easily hide
D A F# Bm
I don't have much money, but boy, if I did
D Em7 G A
I'd buy a big house where we both could live

D Gmaj7 A/C# F#m
If I was a sculptor, but then again, no
Bm Bm/A Bm/G# G
Or a man who makes potions in a travelling show
D A F# Bm
I know it's not much but it's the best I can do
D Em7 G D
My gift is my song, and this one's for you

A/C# Bm Em7 Gmaj7
And you can tell everybody this is your song
A/C# Bm Em G
It may be quite simple but now that it's done
Bm Bm/A
I hope you don't mind, I hope you don't mind
Bm/G# G6
That I put down in words,
D/F# Em G A
How wonderful life is while you're in the world

Interlude: D G A G

D Gmaj7 A/C# F#m
I sat on the roof and kicked off the moss
Bm Bm/A Bm/G# Gmaj7
Well a few of the verses, well they've got me quite cross
D A F# Bm
But the sun's been quite kind, while I wrote this song
D Em7 G A
It's for people like you that keep it turned on

D Gmaj7 A/C# F#m
So excuse me forgetting, but these things I do
Bm Bm/A Bm/G# Gmaj7
You see I've forgotten if they're green or they're blue
D A F# Bm
Anyway, the thing is, what I really mean
D Em7 G D
Yours are the sweetest eyes I've ever seen

CHORUS

'Cause it's a bittersweet symphony this life
Trying to make ends meet, you're a slave to the money then you die

I'll take you down the only road I've ever been down
You know the one that takes you to the places where all the veins meet,
yeah

**No change, I can't change, I can't change, I can't change,
but I'm here in my mold , I am here in my mold
But I'm a million different people from one day to the next
I can't change my mold, no, no, no, no, no**

Well, I've never prayed,
But tonight I'm on my knees, yeah
I need to hear some sounds that recognize the pain in me, yeah
I let the melody shine, let it cleanse my mind , I feel free now
But the airwaves are clean and there's nobody singing to me now

**No change, I can't change, I can't change, I can't change,
but I'm here in my mold , I am here with my mold
And I'm a million different people from one day to the next

Losing my Religion - REM

124 BPM / 126 BPM

G Am
Oh, life is bigger
Em
It's bigger than you
Am
And you are not me.
Em
The lengths that I will go to,
Am
The distance in your eyes,
Em Dm
Oh no, I've said too much,
G
I set it up.

Am
That's me in the corner,
Em
That's me in the spotlight
Am
Losing my religion.
Em
Trying to keep up with you.

And I don't know if I can do it.

I planned each charted course,
 G Gm
Each careful step along the byway,
 D A Asus4 G D
And more, much more than this, I did it m y way.

[Verse 3]

 D D7
Yes there were times, I'm sure you knew,
 G Gsus4 G
When I bit off more than I could chew,
 Em A7
But thru it all, when there was doubt,
 F#m Bm7
I ate it up, and spit it out.
 Em A

I faced it all, and I stood tall,

And did it m y way.

[Verse 4]

I've loved, I've laughed and cried.
D7 B7
I've had my fill; my share of losing.
Em7 Em7/D
And now, as tears subside,

I find it all so amusing.

To think I did all that;

And may I say - not in a shy way,

"No, oh no not me, I did it m y way".

[Verse 5]

For what is a man, what has he got?

A seven nation army couldn't hold me back
They're gonna rip it off
Taking their time right behind my back
And I'm talkin' to myself at night
Because I can't forget
Back and forth through my mind
Behind a cigarette

And the message comin' from my eyes says, "Leave it alone."

Don't wanna hear about it
Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the hounds of hell
And if I catch it comin' back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do

And the feeling coming from my bones says, "Find a home."

I'm gonna Wichita
Far from this opera for evermore
I'm gonna work the straw
Make the sweat drip out of every pore
And I'm bleeding, and I'm bleeding, and I'm bleeding
Right before the lord
All the words are gonna bleed from me
And I will think no more

And the stains comin' from my blood tell me, "Go back home."

A light shone in the night somewhere ahead

Blue turned into green, then it was red
C(8) F(8)
And, stirring the night, loud music played
D7(8) G(2) F(2) E(2) D(2)
The light I saw in the night was a penny arcade.

C (12)
"Step up and play", each machine seemed to say

as I walked round and round the penny arcade.
G7 (12)
"Just ring the bell on the big bagatelle
C(4)
and you'll make all the coloured lights cascade".
F(8) C(8)
And music played to the penny arcade.

Yes, it played and it played, played all the time

"Roll up and spend your last dime!"

At first I thought it a dream that I was in.

Lost , lost in a sea of glass and tin

But no, so dipping my hand in the back of my jeans,
D7 G F E D
I grabbed a handful of coins to feed the machines.

We all came out to Montreux
On the Lake Geneva shoreline
To make records with a mobile
We didn't have much time

Were at the best place around
But some stupid with a flare gun
Burned the place to the ground

Intro x 2

They burned down the gambling house
It died with an awful sound
A funky Claude was running in and out
Pulling kids outa the ground
When it all was over
We had to find another place
But Swiss time was running out
It seemed that we would lose the race

CHORUS + Guitar Solo + Intro x2

We ended up at the Grand Hotel
It was empty cold and bare
But with the Rolling truck Stones thing just outside
Making our music there
With a few red lights, a few old beds
We made a place to sweat
No matter what we get out of this
I know, I know we'll never forget
